A total of 68 calls came into our answering machine this month. At least one call back was made to each. Many of these calls are from persons outside of our service area and the only assistance we can offer is the number for the appropriate SVdP Conference and other referral numbers relative to their specific need.

Your SVdP volunteers served a total of 17 families in June, 3 within our designated service area and 14 in response to requests from other SVdP Conferences, mainly for clients in the Edmond area. The total number of calls was just a little lower than last month.

Again, associate members responded to a parishioner's desire to donate items to the SVdP Thrift Store. The items are picked up from the parishioner's home and transferred to the store on 10th and Meridian in Oklahoma City which is in desperate need of clothing and furniture items.

Matt Taylor, our President, and his family were victims of the flooding in Edmond recently. They lost many of their belongings and are facing extensive repairs to their home.
