TOTAL EXPENSES \$ 1,710.60

A total of 54 calls came into our answering machine this month. At least one call back was made to each. Many of these calls are from persons outside of our service area and the only assistance we can offer is the number for the appropriate SVdP group and other referral numbers relative to their specific need.

Your SVdP volunteers served a total of 10 families in March, 4 within our designated service area, 1 of which is a parishioner family and 9 families helped in response to requests from other SVdP groups, mainly for Edmond residents. We had no calls on our Spanish line.

We are happy to respond to any questions or concerns the Council might have.

Respectfully submitted,
Janet Hatcher, Secretary
